"Their detail-oriented approach to their work make you forget you are listening to a tribute" – Nick Ihasz, Southern Vermont Performing Arts Center and Spring Island SC Performing Arts

The immersive concert-style theater show chronicles the amazing journey of Billy Joel. It tells the story from his humble beginnings to his incredible success as one of the best-selling artists of the '70 and '80's. It culminates with an audience participation rendition of Billy's famous signature song "Pianoman".

With more than 140 million album sales since 1971, Billy Joel's memorable lyrics and timeless melodies that poignantly captured the times made him one of the most successful artists of all time. Over the years, he has been nominated for 23 Grammy Awards winning 6 and was inducted into the Rock and Roll Hall of Fame in 1999.
